

Who: [Mi Ami](#)

What: "New Guitar"

Where: *Watersports*, out Feb. 17 (Quarterstick Records)

Sounds like: Talking Heads, DeFacto

Spiel: A collaboration between drummer Damon Palermo and Black Eyes' vocalist/guitarist Daniel Martin-McCormick and bassist Jacob Long, this San Francisco-based outfit specializes in outer-limits noise and rhythm that leapfrogs between genres and time signatures. It's an experimental head trip that rewards repeat listening, so don't be put off by its challenging structures. Embrace change.
